#### Statement of consent

By filling this **“Right of Opposition to Receiving SMS Alerts” form I authorize**, by my own free will, SRPCBA to retrieve and process my personal data above-listed, in order to allow its inclusion in a cancellation list of recipients of the Population Alert System, and to share them with my mobile communications operator in order to operationalize the right to not receive said SMS's.

The exercise of the right of opposition is valid for six months, after which, and in the event you are still the bearer of the same telephone number, and wish to remain excluded from the SMS alerts, you are required to exercise, once more, the right of opposition.

SRPCBA shall keep the data collected for as long as necessary for the purpose it was collected, and within the maximum term of the opposition right (6 months).

The right of opposition may be cancelled at any time, by sending an email to: [srpcba@azores.gov.pt](mailto:srpcba@azores.gov.pt), with the express intent to waive its cancellation.
